Welcome to the Elite Class

Welcome to Latur Officers Club. One of the unique places of the District. Experience the grandeur of the splendid architecture and state of art infrastructure with global standard amenities, sports lounge & elite class community.

Latur is developing and leading in many segments and one of the important city of the Marathwada region of the Maharashtra state. But we noticed that there is something missing in the city. There is no casual, social place which elite class can spend some moments with friends and colleagues.

So we came up with the concept of this unique club. This will be the Latur's most fascinating destination. Because it is one of kind strategically designed, eco friendly structured, conceptualized for the individuals or community who has compassion & commitment for betterment and upliftment for himself, his family, society and whole district itself. Come join us and enjoy the environment probably you never been experienced the luxury.

Experience the Pleasing & Beautiful Surrounding

The project site is surrounded with a natural beauty of green vegetation. The atmosphere of the site utilised in smart way so that it comprises the natural surrounding of plantation. It would be best example of eco friendly structure of the city.

when you enter place, you would be mesmerised by the warm self soothing attire. You can experience this beauty everyday either before your hectic day starts or end of your exhausting working day.

Challenge Yourself. Stay Healthy Stay Fit.

The club has enormous facilities of sports activities. It is state of art Sports Lounge with the global standards. The phrase "fit to lead" dates back to the early 1800's. A leader needed to be spiritually, mentally and physically fit enough to lead a community. But today sports is the answer to prove the phrase. Because this the way to keep yourself charged with great energy & focused mind.

Community, Compassion & Commitment

We are social animals, we have always been in community right from human inception. Gradually we progressed together and become a society. Now we are in the global world marching towards new possibilities, but question is are we really enjoying the life or just fulfilling the ambitions. On the same concept we have decided to be together formally or informally where government officers and other eminent personalities who has goodwill in the society, has compassion and commitment for society can come on a common platform. The main moto is to share some moments, enjoy life but simultaneously uplifting of the society.
